Description

Jean Marc So... is a Chypre fragrance for women.

So... has a **top note of blackcurrant nectar, a heart of freesia and Rose of Mai, with a musky blond wood base.** This rose fragrance was created for the modern woman who's strong yet feminine, sophisticated yet charismatic.

Is So... a good perfume?

It's a perfect balance of sweet, slightly floral and very sexy without being overpowering. It has quickly become my go to daily fragrance and I get so many compliments whenever I wear it. **Would highly recommend it as is quite long lasting.**
